

Stap 1 mix

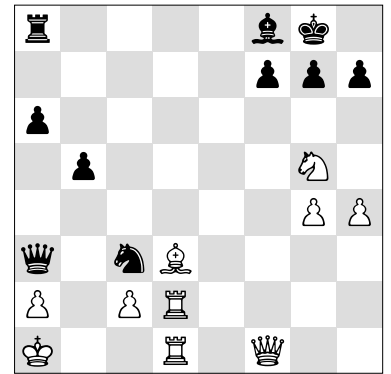

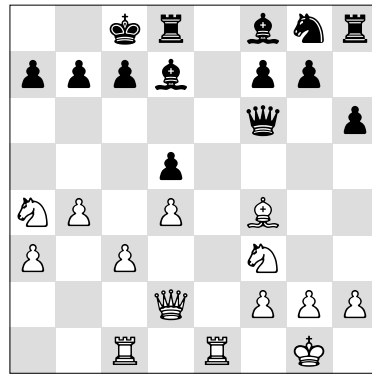

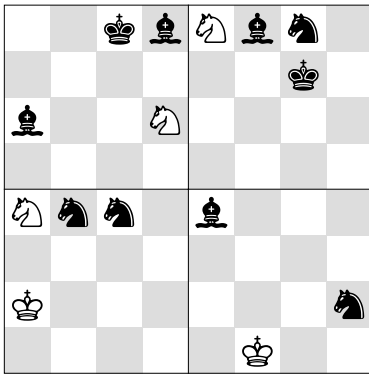

NL In dit werkboek staan alleen opgaven met de ‘eenvoudige’ opdracht: speel de beste zet. Net als in een partij weet je niet of je kunt winnen of moet verdedigen. Goed kijken wat er aan de hand is. Staat de vijandelijke koning onveilig? Zet mat. Kan je een stuk slaan? Zoek naar ongedekte en onvoldoende gedekte stukken. Is er een eigen stuk in gevaar? Verdedig! Staat je koning schaak of dreigt er mat? Doe er wat aan.

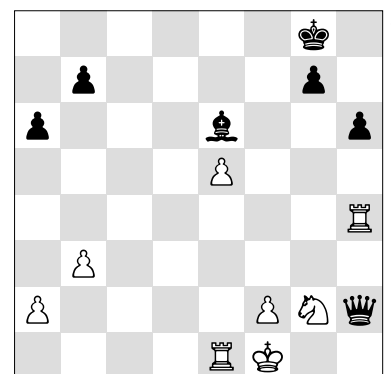

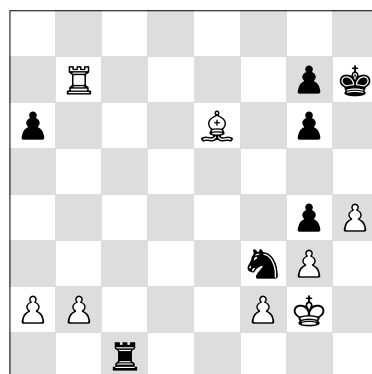

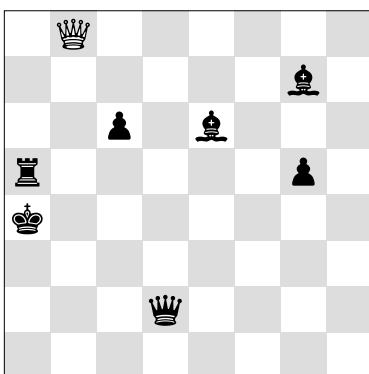

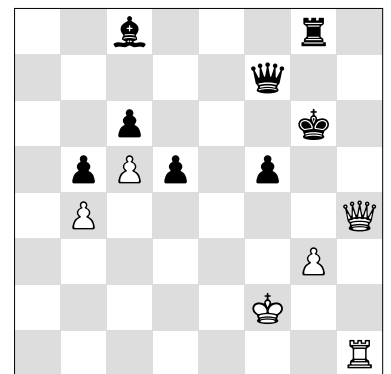

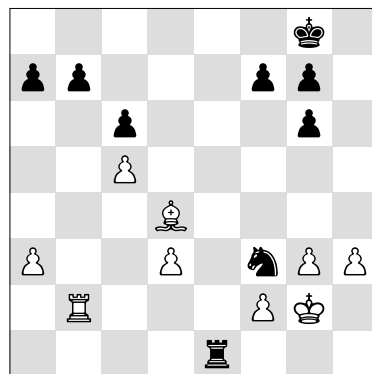

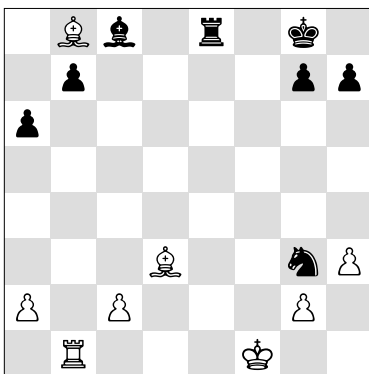

In de routeplanners speelt alleen wit. Stukken onder het bord: mat bedenken. Bij een zet onder het bord moet je de juiste zet aanvullen. Drie rondjes: maak de beste zet zwart.
